

**BOLD CRAFT**®

# BULLDOG 600

## Specification & Price

DATE APRIL 2024

### PRINCIPAL CHARACTERISTICS

The Bulldog 600 offers a next-level 6m boating experience, boasting unparalleled arrangement, functionality, optionals, and customization. Developed by the esteemed team behind Art of Kinetik, Argo Navis, and Ante Tenders, this hull is set to impress.

Powered by a Mercury 115hp outboard engine, the Bulldog achieves an impressive speed of 35 knots (65 km/h). Its design features two spacious platforms catering to a total of 8 passengers. The aft deck provides comfortable seating for 4 passengers, while the foredeck offers a more adventurous ride, accommodating up to 5 guests. Noteworthy features include custom-made amenities such as sunbeds and ample storage space beneath the seats. Additionally, the Bulldog comes equipped with a bimini top, extended shading option, icebox, freshwater tank, and a high-quality stereo system. Enhance docking safety with heavy-duty impact side foam fenders, inspired by superyacht tenders. The Bulldog 600 stands out with exceptional color choices for the hull, deck, and upholstery, further enhancing its unique appeal and ensuring an unforgettable boating experience.

<b>Hull Material</b>	GRP composite single skin	<b>Max Speed</b>	70 kmph
<b>Length Overall</b>	6.2 m	<b>Cruise Speed</b>	40 kmph
<b>Beam Maximum</b>	2.4 m	<b>Fuel Capacity</b>	150 l
<b>Static Draft Max / Min</b>	0.23 m (tilt up) / 0.65 (tilt down)	<b>Weight Without Engine (Dry)</b>	1000 kg
<b>Propulsion</b>	Single outboard engine	<b>Seating Capacity</b>	8 persons
